CHECKLIST OF BIRDS FOR BAY AND GULF COUNTIES IN NW FLORIDA

DATE: _____ TIME: _____

LOCALITY: _____

WEATHER: _____

OBSERVERS: _____

Total number of species recorded: _____

This checklist follows the Seventh Edition of the AOU checklist, including the 44th Supplement (Aug, 2003).

Species appearing in bold type are regular in occurrence. Species shown in lightface type either occur in very low numbers or are irregular in occurrence and to be expected occasionally. Species shown in parentheses are very rare and warrant careful documentation.

Symbols indicate abundance and seasonal incidence in appropriate habitat: C - common or abundant, U - uncommon, R - rare, and X - accidental: p - present all year, w - predominantly in winter, s - summer resident, and t - seen during fall and spring migrations or after strong storms.

Please report all unusual bird sightings by emailing BCAS at bcas09@aol.com.

Copies of this field checklist can be purchased from Bay County Audubon Society, P.O. Box 1182, Panama City, FL 32402 for \$0.25 per copy. If ordering by mail, add first class postage for each five copies.
